

# HISTORIAN'S REPORT

## 127<sup>th</sup> Detwiler Family Reunion

### August 19, 2023

New births, deaths, marriages, etc. since the last reunion: **2 births, 6 marriage and 0 deaths.** (See Historian's Record Sheet for details). Several other updates were added as research found them in archival records but were not recorded as new.

Since last year's reunion I have added **16 individual names (4656), 7 new surnames (1220) and 7 marriages (1686) to the records.** The average lifespan of those deceased is 62.7 years and I have recorded 1594 different places of family events. The program indicates there are 17,430 facts recorded in the genealogy program. I continue to add additional information in the "Reunion Chronological History" spreadsheet from information I am able to obtain from family members and various resources.

**The earliest birth date is Jagli Detweiler (1570) who is the 2<sup>nd</sup> great grandfather of Hans Johannes Detweiler (1688 – 1761) and the 5<sup>th</sup> great grandfather of Henry R. Detwiler (1793 – 1873). The most recent birth is 26 May 2023; Charlee Thomas Hensley is the son of Mark and Celia Gayle (Fisher) Hensley and 5<sup>th</sup> great grandson of Henry R and Catharine Beary (Latshaw) Detwiler.**

#### **[www.detwilerfamily.org](http://www.detwilerfamily.org), and [Family Tree Maker \(FTM\)](#):**

I have renewed my **Ancestry.com** membership on **29 July 2023 for 6 months at a cost of \$126.14** and will continue to support the Detwiler "privatized tree." I get requests for information and vice versa regarding the Detwilers, Latshaws, Rapps, Yeagers, Rixstines, etc. which helps build our tree. I will continue to research and respond to those contacting me with the hope that I can connect their families with our Family that is recorded in "**Hans Detweiler Family History** by Francis Waite", "**The Genealogy of the Detweiler, Detwiler Family** by Elizabeth Zern Smith" and "**Detwiler Family Genealogy** by B. Harrison Landis". Our domain name ([detwilerfamily.org](http://detwilerfamily.org)) with **Network Solutions** was renewed in **July, 2019 at discounted early renewal price of \$147.96 for 5 years that will now expire on 7-30-2024.** Our domain name is now protected until that date. I updated the Family Tree Maker software program to Windows Version 2019 (24.1.0.1520) Build 1520, The Software MacKiev Company.

Respectfully submitted,

---

Richard H. Lusch, Historian
